we'll work from our new office at

Wollkämmerestraße 1

DE-21107 Hamburg

(Wilhelmsburg port area)

Tel./Fax/Mail remain unchanged

As such a move always causes a little trouble to the daily work we kindly ask you for your understanding.

On September 13<sup>th</sup>, disruptions should be expected as all our staff and stuff will move to the new office rooms. The move should be finished by September 14<sup>th</sup>.

We will try to keep the service up for you with emergency-numbers and people that are available all over the day. But we are also dependent on other service providers. Therefore

there can be problems with our regular connections such as phone / mail etc.

In case of problems you are welcome to contact the supervisors of that trade on their cell-phones. All cell-phone numbers can be found on our webpage at [www.saco.de](http://www.saco.de)

We would already like to thank you for your kind support. In the future there will be...
