Export LCL Israel War Risk Surcharge

Dear valued customer,

we wanted to take a moment to address the recent events in Israel and assure you that SACO Shipping is closely monitoring the situation. Our thoughts and sympathies go out to all those affected by these terrible events, and we stand in solidarity with the people and their families.

Currently the service to Israel operates as usual and we continue to accept bookings subject to changes at short notice.

As a consequence, insurers of the shipping lines have imposed an additional war risk insurance premium on all vessels calling Israeli ports.

According to the carrier announcements we will implement the following surcharge with immediate effect.

- War Risk Surcharge USD 2,00 w/m
