Export LCL – Libanon Dangerous Goods

Dear valued customer,

We are pleased to announce that we can resume shipping of dangerous goods to Beirut for limited quantities (LQ).

Our partner succeeded to meet the port authority's new and stricter safety requirements and will be able to handle and store the dangerous goods classes 3, 5.1, 6.1, 8 and 9 in limited quantities.

Every dangerous goods shipment is subject to approval before sailing. Please kindly provide us with the MSDS and DGD with your booking request.

Once checked and approved, we will confirm your booking.

Hazardous Additional as follows:

EUR 35,00 w/m – EUR 75,00 minimum

For further information please contact your local Saco Shipping Team.
