## USA ISPM15 – Wood packing material

Dear customers,

herewith we would like to inform you about the tightened measures against violations of the import regulations for wooden packaging which came into effect in the USA on November, 1<sup>st</sup> 2017.

While untreated or incorrectly marked wood has only been sent back to the country of origin in the past, with immediate effect CBP reserves the right to penalize violations with fines.

Please inform your customers about the tightening of the measures.
