New weekly direct service to Asunción, Paraguay

SACO Shipping is proud to announce its new weekly direct “all water” service to Asuncion / Paraguay.

The service at a glance

- Weekly direct departures on Hamburg Süd SAEC1 service via Montevideo
- No reworking of cargo in transshipment port. The container will transship intact to Asuncion
- More favorable rates compared to truck service
- Hazardous cargo accepted at much more favorable cost compared to trucking via Montevideo
- No additional paperwork required
- CFS at Caacupe-Mi port, Paraguay’s state of the art warehouse facility
- Best in class transit time of approximately 37 days

Next departure:

M/V Cap San Nicolas

ETS Hamburg 10.09.2018

ETA Asunción 17.10.2018

CLS Hamburg 06.09.2018

Our export LatAm-Team will be available for questions or assistance.
