SACO SERVICE FOR “OVERSIZED BAGGAGE”

As a specialist partner for importing and exporting full container loads, SACO experts are also at your side for all your activities when it comes to special equipment, OOG (out of gauge), breakbulk, RoRo, project loads and cross trades.

An extensive agent network and excellent cooperation with renowned shipping companies all over the world enable us to develop an optimal and individual solution for your shipment. Neutrality remains our unique selling point; we work exclusively for and with forwarders and logistics companies. Take advantage of our flexibility to transport your goods!

Our Portfolio

- **Attractive sea freight rates worldwide: export / import / cross trades**
- **Competitive conditions for pre-carriage and onward carriage in all main destinations / main countries of origin**
- **Packing/unloading processes for your shipments in fully equipped warehouses**
- **Special care of any kind of special equipment / OOG = out of gauge / breakbulk / RoRo / project cargo / refrigerated transports**
- **On request we also work with Carrier's Master Bill of Lading**
