Sea Cargo Manifestation and Transshipment (SCMT) for shipments to India

Dear valued clients,

we would like to inform you about the new regulations for manifestation implemented by Indian Customs mandatory for all indian destinations.

With immediate effect following information needs to be shown on manifest:

- Shipper: complete address with street name, City, Zip Code, Country
- Cnee: complete address with street name, City, Zip Code, Country, Person in charge. In addition we need the IEC (Import Export Code) and the GST (Goods Service and Tax) number
- Notify: complete address with street name, City, Zip Code, Country, Person in charge. In addition we need the PAN (Permanent Account Number)
- 6 digit HS-Code with clear cargo description
- cargo value according to commercial invoice

Please make sure that we will receive the requested information together with B/L-instruction prior to known deadlines. Otherwise we cannot guarantee loading of your shipment.

If you have further questions, please contact our SACO Shipping Team.
